POLYCAB[®]
WIRES & CABLES

P R O F I L E

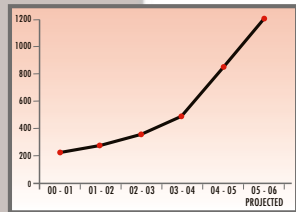

The Company

Polycab, an ISO 9001 : 2000 company is the largest Wire & Cable manufacturer in India with a proven track record of over three decades. The fastest growing company in the Indian Cable Industry with consistent growth of more than 40% per annum for the last 3 years. Polycab group has crossed Rs. 1000 crore turnover and is set to achieve Rs. 2000 crore turnover in the next two years.

Driven by the entrepreneurial skills and vast experience of the Chairman & Managing Director Mr. Inder T Jaisinghani and his brothers in the management of trade, business and industry and ably assisted by a team of dedicated professionals, Polycab is already a market leader in the Cable & Wire Industry.

Polycab lays great emphasis on consistency in quality, meeting delivery targets and customer needs. It has an unmatched product range of World Class quality with an extensive marketing network in Indian and abroad.
